

# COMMUNITY IMPACT REPORT 2025

A **look back** at where we **gave back** this year

# A LETTER TO OUR COMMUNITY

For more than 50 years, Action Furnace has been proud to serve Alberta homes. Giving back to the communities where we live and work has always been an important part of who we are.

In 2025, we provided over \$25,000 in direct financial support to community and charitable initiatives, along with more than \$84,000 in in-kind donations through services and equipment.

This year marked our first partnership with CTV Toy Mountain in support of FearsNotLove, and we are proud to grow this support in 2026. We were also honoured to sponsor NakedEspy in support of prostate cancer awareness and research.

As we close out the year, we launched our Warm Hearts Furnace Giveaway. To kick off 2026, Action Furnace will be providing brand new furnaces to eight families in need, helping them stay warm through Alberta winters.

Thank you to our customers, partners, and team members for allowing us to continue giving back. We remain committed to Alberta and to building stronger communities together.

General Manager
